The Neighbourhood Centre. We continue to receive concerns from residents about the overgrown foliage and flooding to the car park at Tesco Express. A management company called SEP Properties is responsible for this area not Tesco or the Parish Council. Despite our best efforts and that of the Manager at Tesco Express, this area continues to be a concern but please be assured that we are continuing to pursue.

Police Information Point at The Parish Centre on Monday January 22nd from 10am until midday. Your local PCSO Shelley Richards will be on hand to meet residents; come along to raise any concerns you may have or receive crime prevention advice.

A safer way out of Frith Wood car park

In December your Chalford Footpath Volunteers finished their work on a new, safer, and more accessible way in and out of the Frith Wood car park. No longer do you have to take your life in your hands joining The Frith at a difficult gap in the hedge. Instead, there's a wide and user-friendly route onto the 'Tesco' path that runs down the side of the wood. Also, it's easier and safer for mobility scooters, buggies and wheelchairs to get into the car park from the 'Tesco' path - and we've built splendid stone walls to make sure you don't miss the new path! (The wall on the right in the photograph is now capped with concrete.) Finally, a local Cotswold Warden has cut back the vegetation at the bottom of the 'Tesco' path, so the view to the right where it joins The Frith is no longer restricted. Enjoy yourselves!
