

Public Meeting – Investigations at Chalford Valley Playing Field

We would like to invite interested parties to a public meeting that will be held at Christ Church, London Road, Chalford on 23rd April 2026 between 19:00 and 20:15. The meeting will be attended by representatives from Chalford Parish Council, Stroud District Council and an independent Environmental Consultant who has been involved in the investigation process.

The purpose of the meeting is to provide an update on the ongoing investigation at Valley Playing Field. As previously communicated, the playing field has been closed, as a precaution, whilst on-going investigations take place. The investigations relate to the identification of Cement Bound Asbestos (CBA), as well as other materials such as broken glass and pottery being brought to the surface by mole activity.

Members of the public are invited to submit questions in advance by 15:00 on Monday 20th April 2026. This will help ensure we are able to respond as fully as possible during the meeting. Please submit questions to: clerk@chalford-glos.gov.uk

We will endeavour to provide written minutes of the meeting and answer any further questions within two weeks following the meeting. This will be published on the Chalford Parish Council website www.chalford-glos.gov.uk
