

## **September Newsletter**

### **Food Table Donation**

The food table at our Parish Council office is a lifeline to several people in our parish. With no grant funding available for this, we rely totally on donations. Tesco is fabulous and support us whenever they can. In addition we have just received a very generous donation to ensure this great facility can continue for the next 12 months at the very least. Thank you to our donor.

### **Health Walks**

Take a walk through our beautiful parish, a distance of 1.5 miles. A great free fortnightly event, starting at 10am from Frithwood surgery waiting room. Plus enjoy some refreshments and a social chat afterwards. Upcoming dates are; 4<sup>th</sup> September and 18<sup>th</sup> September. No need to book, just come and join in.

### **Keeping the Parish Safe & Clean**

Please refrain from putting posters up on areas other than our noticeboards and ensure you remove them once the event is over. Please be considerate when parking to avoid blocking sightlines and churning up green verges with heavy tyre tracks. Also, as ever, the Dog Poo Fairy does not exist – please pick up after your pets.

### **We've gone yellow!**

At the end of June the Footpath Group posted a survey online, on noticeboards, and at entrances to playing fields to gather your opinions on painting playing field metal barriers yellow. As we explained, yellow is the recommended colour for aiding visibility for visually impaired people. Since we got no responses, we decided there were no strong feelings either way, so went ahead with the yellow

paint. The photo shows the painted barrier (and signpost waiting for its sign to be put back when the paint has dried) at the Youth Centre entrance to Bussage playing field. There are a couple more barriers to paint when we get back to work after our summer break.
