S.25/2363/FUL **Land at The Pitch, Brownshill - Change of use of part of agricultural land to residential (Class C3) to allow for re-alignment and widening of an access track to a dropped kerb.** Cllr Pearson proposed “**We object to the proposal for the following reasons. Change of use from agricultural to residential because this area is outside the settlement boundary. The applicant already has sufficient access to the property. The proposed entrance and track is disproportionately wide for residential or normal delivery access. There are no compelling reasons to seek on street parking or deliveries as a problem in that area. The current entrance has been enlarged in recent years without permission and is far wider than the preceding arrangement. That arrangement should be restored.**” This was seconded by Cllr. Beioley and all in favour.

S.25/071/APPREF Appeal for Land at Middle Hill - Erection of up to five dwellings (Class C3), hard and soft landscaping, and associated works. The committee agreed that not further comment would be necessary as Bisley with Lypiatt had also not passed any further comment.
